ciao a tutti.

Il nuovo tool ha irrigidito le procedure per le variazioni degli ordini che vanno caricate con un documento a parte nel sito degli esiti.

Dunque non possiamo fare una correzione noi, ma dobbiamo emettere un ordine integrativo per la parte mancante.

Se preparate la rda oracle per la quota mancante e la autorizzate provvedo a fare firmare al Direttore l'ordine integrativo.

A quel punto ci saranno due numeri di ordine, che portano al totale richiesto dalla ditta

Ciao Angela, fammi sapere se devo rifare l'ordine o potete correggerlo voi. Ciao. Ileana.

Ciao Silvia,

se capisco bene abbiamo bisogno di correggere l'ordine in quanto la parte che non è stata inserita non corrisponde a IVA e trasporto bensì al packing necessario dentro la ditta.

E dunque, l'ordine è di 6600\$ (6290€) + IVA ?

E' così ?

Ciao

Dear Mr. Million,

I am sorry, but please look carefully at our attached quotation.

It was issued at namely at Ex-Works terms.

\$1,400.00 is a Packing&Handling fee. This fee is charged by the production facility

to all sales independently on the order sum.

There is no cost of transportation inside this \$1,400.00 fee.

Actually, the cost of transportation&insurance (by FedEx from our US office) is only \$100.00.

That is why - in our initial quotation to Mrs. Leoni dtd Feb. 13, 2017 (below in blue) at C.I.P terms

we added \$1,500.00 packing&transportation&insurance fee, but not \$1,400.00 as in our final

quotation at Ex-Works terms.

So, the correct total sum at **Ex-Works** terms is namely \$6,600.00.

Could you please issue a revised P.O.?

Best regards,

Allan Pashkovski
